EXPERIENCE

Revsolar/Solar Legacy February 2017 - Present
San Clemente, CA
Commercial Business Development & Sales: As a **founding member of the Revsolar Commercial Division** in CA, I conduct feasibility studies, Solar PV and Battery modeling, proposal creation, contract administration, meet with clients, perform site walks. Successfully developed internal processes for agents and conducted training sessions. Also responsible for researching the latest in finance options, utility rates and regulatory updates.

-continued

Independent Energy Solutions

June 2016- January 2017

Vista, CA

Commercial Energy Advisor: As a **key member of the Commercial Team**, my responsibilities included feasibility studies, Solar PV + Battery Storage modeling and proposals, Municipal RFP/RFQ responses, client presentations, and project liaison activities. Successfully developed new procedures and documents to streamline our internal processes and CRM. After 18 years in business, ownership abruptly closed IES on January 25, 2017.

REV- Accelerate Sustainability (Formerly True Market Solutions)

August 2015- July 2016

Independent Contractor - Greater San Diego

Sustainability Circle® Coach: As a **Head Coach**, I led participating organizations (corporations, schools, and government orgs) through a **comprehensive sustainability curriculum and Sustainability Action Plan**, edited and administered curriculum presentations and group exercises, arranged for expert speakers, analyzed energy metrics and behavior change initiatives, led 1:1 Coaching Sessions, created reports and managed Assistant Coaches.

Sustainable Surplus Exchange

May 2015 – August 2015

Carlsbad, CA

Marketing and Logistics: Temporary position to help SSE through a transitional period. Engaged with **corporate green teams, donors and volunteer coordination**. Conducted presentations to groups and government staff; participated in regional work groups.

Seaside Residences

May 2009 – March 2016

On-site Property Manager: 32 apartment units in Carlsbad and Oceanside, CA. **Managed day-to-day operations** including tenant relations, agreements and notices, rent collection, safety, ongoing maintenance, repairs, remodels, vendor contracts, compliance with local and state laws.

Mellano and Company

September 2008 - April 2013

Oceanside, CA

Executive/Marketing Assistant: industry-leading flower grower/shipper/wholesaler with multiple locations. During my tenure in the corporate offices on Mellano and Company's 350-acre flower farm, **I successfully developed my position into a vital part of the wholesale Design and Marketing Team.**

- Collaborated with Marketing and Creative Directors on implementation of marketing plan
- Edit/proofread advertising copy and artwork, manage photography projects, tradeshow collateral
- Writer for website, blog, monthly company-wide newsletter and weekly employee communications
- Interim Customer Service Manager and Logistics/Procurement Coordinator for online subsidiary

ACCREDITATION

LEED Green Associate, June 2016. *Currently pursuing LEED BD+C*

COMMUNITY INVOLVEMENT

Carlsbad Community Gardens Collaborative – BoD VP Outreach / Communications June 2013 – January 2016

- Organize/present at community events, manage social media and press communications, write newsletter.
- Collaborate with City of Carlsbad Planning Department on Urban Agriculture Ordinance.

Carlsbad Chamber of Commerce Sustainability Committee - Steering team member January 2013 to Nov 2016

Surfrider Foundation San Diego – Rise Against Plastics Committee June 2017 to Present
